To Whom It May Concern:

I would highly recommend Robert Weiland as a candidate for a position within your company. I have had the pleasure of working with Robert Weiland from 11/2015 to 5/2016 and in that short amount of time I have learned a great deal from him.

Mr. Weiland did an excellent job working for the betterment of as many high-risk students as possible. He is very patient with whomever he is working with be it students or colleagues, and his methods of getting students to understand concepts are very successful.

Mr. Weiland always goes above and beyond what is asked of him and often volunteers his assistance. He would be an asset to any company that hires him because he brings a higher level of intelligence, reasoning and experience. Please consider hiring him.
